Re: *Carolyn Fjord, et al. v. AMR Corporation, et al.*  
Adversary Proceeding No. 13-01392 (SHL)

Dear Judge Lane:

It has come to our attention that Table B in the Plaintiffs' Proposed Findings of Fact and Conclusions of Law inadvertently omitted DOJ City Market 1 and the third entry on Table B contained an error code instead of naming Dallas as part of that city pair. Attached is an errata for Table B which corrects these errors.

We apologize for any inconvenience this may have caused the Court.

Respectfully yours,

*s/ Gil D. Messina*
